Noise Solutions Inc. Names Scott MacDonald President

Aug. 25, 2009

CALGARY, ALBERTA

Noise Solutions Inc., a world leader in innovative environmental and occupational noise and emission control, is pleased to announce the appointment of Mr. Scott MacDonald as President effective June 1, 2009.

Mr. MacDonald, General Manager of Noise Solutions Inc. succeeds Mr. Rod MacDonald who will continue, in development of the company he founded in 1997 with Scott, as Vice President of International Operations and Innovations.

As co-founder of Noise Solutions Inc., Scott has been an innovative leader in the company's operations and has been recognized for his achievements as: a Western finalist for the Ernst & Young Entrepreneur of the Year (2003); Alberta Winner for the BDC Young Entrepreneur of the Year (2005); Calgary Chamber Of Commerce Young Entrepreneur of the Year (2006); and Regional Finalist – Deloitte 50 Best Managed Companies (2008).

This dedication to innovation and excellence under Mr. MacDonald's leadership will ensure Noise Solutions Inc.'s continued success as the management team focuses on further expansion into new geographic and product markets. Noise Solutions Inc. currently has offices in Calgary, Delburne and Denver. www.noisesolutions.com
